2024 SPONSORSHIP AND EXHIBITOR OPPORTUNITIES

The Colorado Association of Chiefs of Police offers a collective voice for Colorado law enforcement leaders who continue to do the right thing by providing contemporary policing to our respective and collective communities, advocating for overall community safety, and protecting the rights of all.

The Colorado Association of Chiefs of 2024 Sponsorship and Exhibitor Opportunities are designed to create exposure for organizations that provide products and services to law enforcement professionals across the state. The goal of this year's opportunities is to provide the members of CACP with the tools, services, and resources they need to enhance the work they are doing in their communities as well as provide our partners with more visibility and access to our valued members at the Conference and throughout the year.

The different opportunities are designed to provide various levels of participation and promotion that best fits each organization's goals in partnering with CACP. Our goal is to promote our partner organizations to our members, but also to the entire law enforcement community and the general public.

*All sponsors and exhibitors are subject to approval by the CACP Board of Directors.

2024 Annual Conference Sponsorship and Exhibitor Opportunities
