Instructor:

Brent Tharpe – Tharpe Consulting

This sixteen (16) hour block of training is for professionals that are first responders to crimes that could take the professional on a stressful, emotional and personal journey.

Who Should Attend?

Professionals that will benefit from this training are patrol supervisors, training officers, patrol officers, new juvenile investigators, SRO, child protective services, medical professionals, District Attorneys and advocacy personnel.

Course Description:

Child Abuse for Patrol (CAP) is one of our most sought after trainings. We will look into these brutal crimes and focus on the dynamics of responding to child abuse calls as part of the daily duties of a patrol officer. We will focus on the dynamics of child physical abuse and neglect. Child Abuse for Patrol (CAP) will take one of the most dispatched calls domestic violence and focus on the child as the victim in Children Living with Domestic Violence. Child Sexual Abuse for Patrol will teach the students how to be proactive in their own communities in locating and documenting individuals who have sexual interest in children.

Location:

The training will be held in Parker, CO at the Parker Police Department located at 18600 Lincoln Meadows Pkwy.
