

The Federal Law Enforcement Training Centers (FLETC), presents:

Educating the law enforcement community!

This virtual symposium provides attendees with a focused opportunity to learn and discuss investigative techniques and understand trauma-based encounters. Lived-experience experts will participate in a moderator-led discussion. The symposium concludes with resources and remedies for human trafficking investigations. The goal is to increase overall human trafficking awareness, provide a framework for capacity building, and increase successful human trafficking investigations.

Register for training at:

<https://sass.fletc.dhs.gov/fast> (VO_HTIS_IOD-2401)

A certificate of attendance will be provided at the completion of the program.
